

How to Draw a Bird

7 steps

Ages 6-8

Follow the numbers · new lines are orange · rub out the dashed gray lines

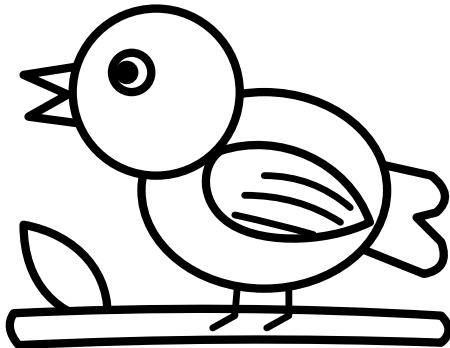

How to Draw a Bird

Practice

Ages 6-8

Practice page · look at the finished drawing, then draw your own

1. Draw a big oval for the body.
2. Add a round head on the left.
3. Draw an open beak and a big round eye.
4. Add a wing with three feather lines.
5. Draw the tail feathers at the back.
6. Add two thin legs with little toes.
7. Finish with a twig and a leaf.
