

How to Draw a Bird

7 steps

Ages 6-8

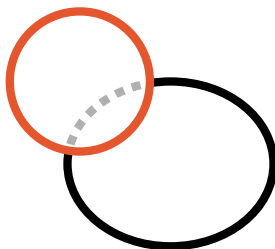

Follow the numbers · new lines are orange · rub out the dashed gray lines

1

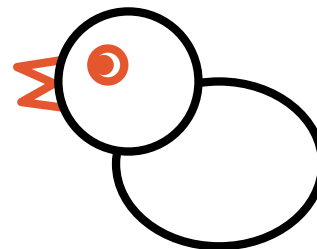

Draw a big oval for the body.

2

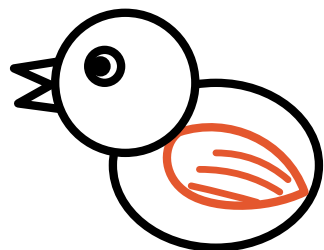

Add a round head on the left.

3

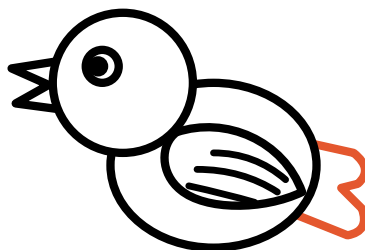

Draw an open beak and a big round eye.

4

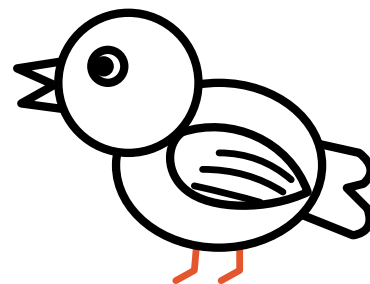

Add a wing with three feather lines.

5

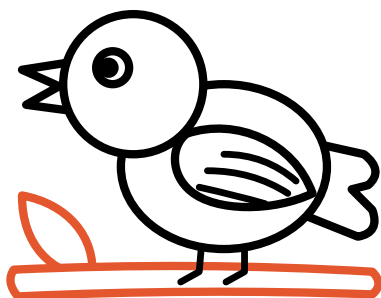

Draw the tail feathers at the back.

6

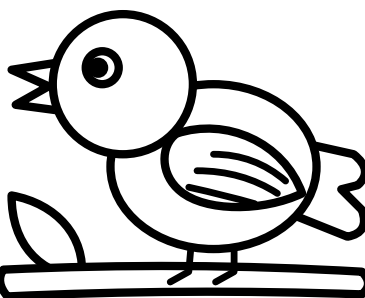

Add two thin legs with little toes.

7

Finish with a twig and a leaf.
