

How to Draw a Bunny

7 steps

Ages 6-8

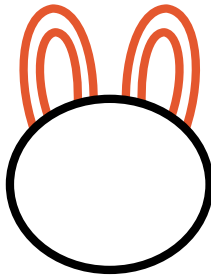

Follow the numbers · new lines are orange · rub out the dashed gray lines

1

Draw a big round head.

2

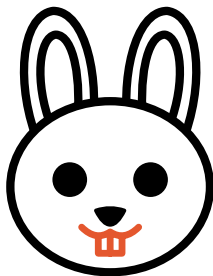

Add two tall ears standing straight up.

3

Give it two big dot eyes and a tiny nose.

4

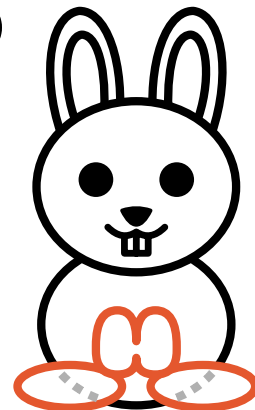

Draw a smile with two little front teeth.

5

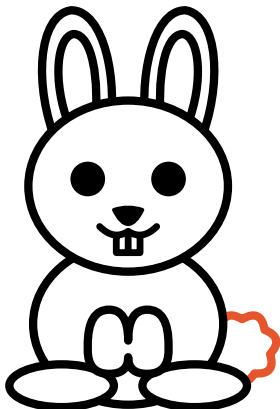

Draw a round body under the head.

6

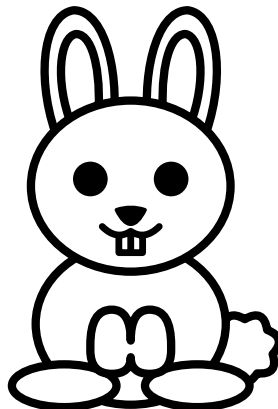

Add big back feet and two front paws.

7

Finish with a fluffy round tail.
