

How to Draw a Butterfly

7 steps

Ages 6-8

Follow the numbers · new lines are orange · rub out the dashed gray lines

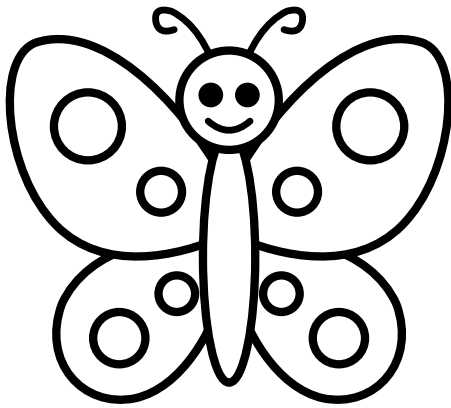

How to Draw a Butterfly

Practice

Ages 6-8

Practice page · look at the finished drawing, then draw your own

1. Draw two big upper wings.
2. Add two round lower wings underneath.
3. Draw a long oval body and a round head.
4. Add two curly antennae on top.
5. Put two spots on each upper wing.
6. Put two spots on each lower wing.
7. Give it two eyes and a happy smile.
