

How to Draw a Butterfly

7 steps

Ages 6-8

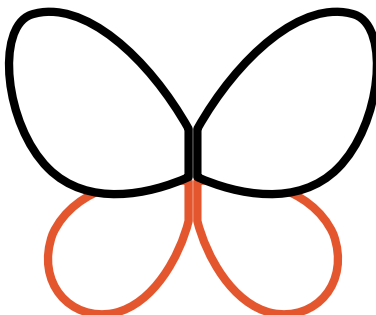

Follow the numbers · new lines are orange · rub out the dashed gray lines

1

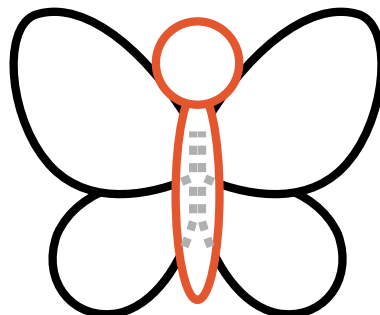

Draw two big upper wings.

2

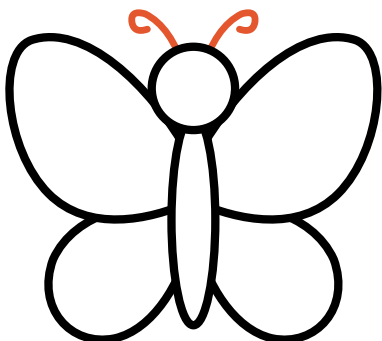

Add two round lower wings underneath.

3

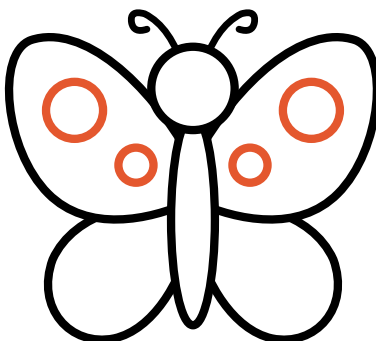

Draw a long oval body and a round head.

4

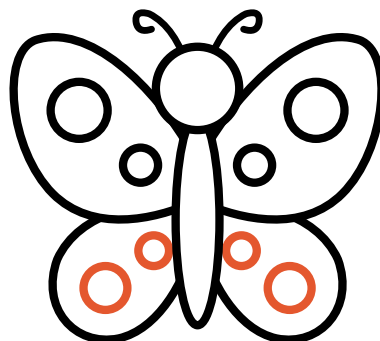

Add two curly antennae on top.

5

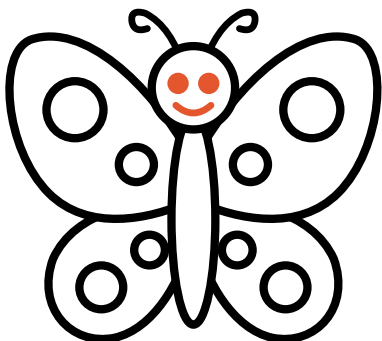

Put two spots on each upper wing.

6

Put two spots on each lower wing.

7

Give it two eyes and a happy smile.
