

How to Draw a Cat

7 steps

Ages 6-8

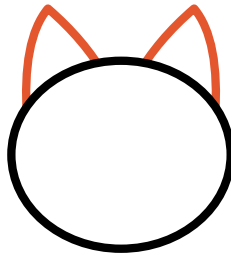

Follow the numbers · new lines in each step are orange

1

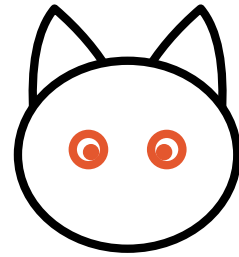

Draw a wide oval for the head.

2

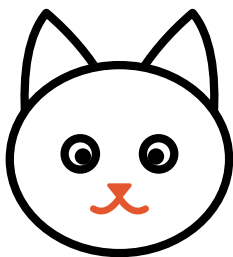

Add two pointy ears on top.

3

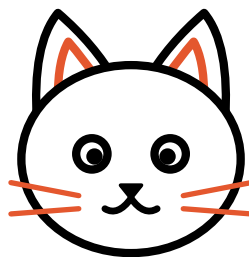

Draw two round eyes with little pupils.

4

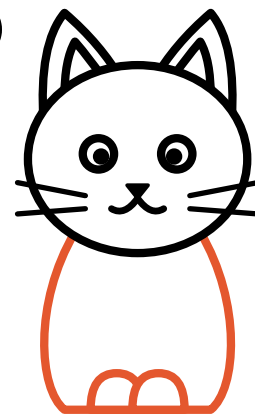

Add a small triangle nose and a smile.

5

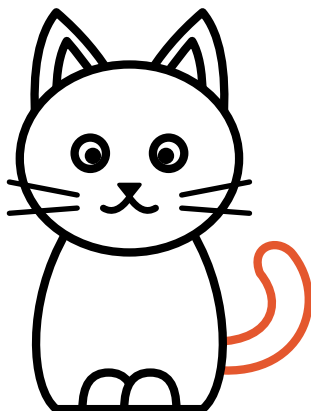

Add whiskers and the inside of the ears.

6

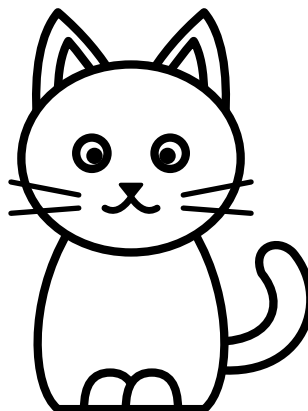

Draw a pear-shaped body and two front paws.

7

Finish with a curly tail.
