

How to Draw a Christmas Tree

6 steps

Ages 6-8

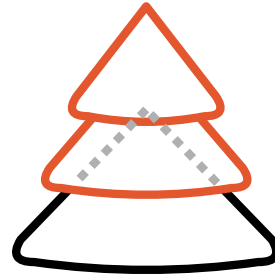

Follow the numbers · new lines are orange · rub out the dashed gray lines

1

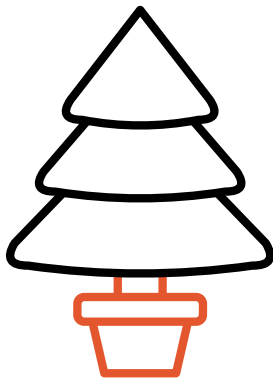

Draw a big wide triangle for the bottom.

2

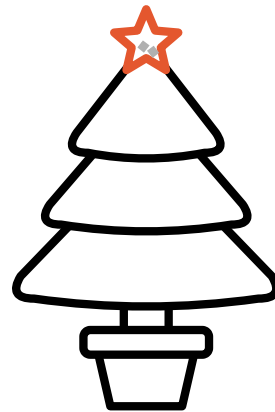

Stack two smaller triangles on top.

3

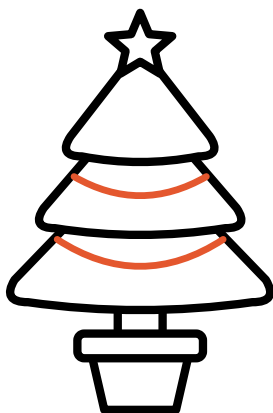

Add a short trunk and a flower pot.

4

Put a shiny star on the very top.

5

Swoop two garlands across the tree.

6

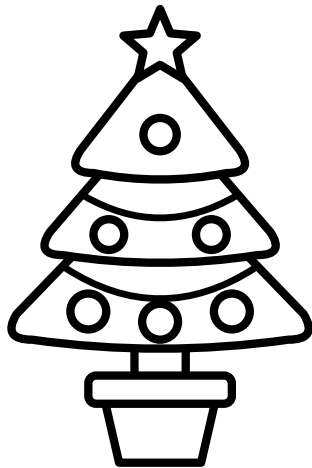

Hang six round ornaments.

How to Draw a Christmas Tree

Practice

Ages 6-8

Practice page · look at the finished drawing, then draw your own

1. Draw a big wide triangle for the bottom.
2. Stack two smaller triangles on top.
3. Add a short trunk and a flower pot.
4. Put a shiny star on the very top.
5. Swoop two garlands across the tree.
