

How to Draw a Dog

7 steps

Ages 6-8

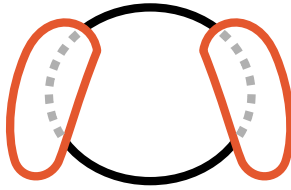

Follow the numbers · new lines are orange · rub out the dashed gray lines

1

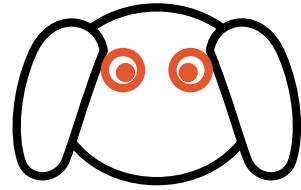

Draw a big round head.

2

Add two floppy ears hanging down the sides.

3

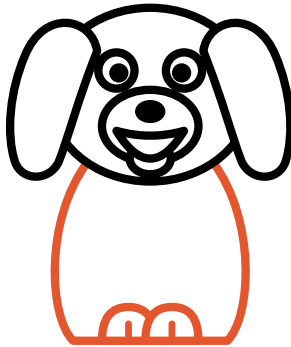

Draw two big round eyes with pupils.

4

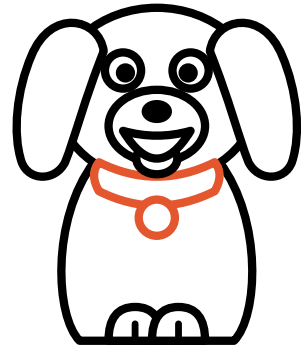

Add a muzzle, a button nose and a happy open mouth with a tongue.

5

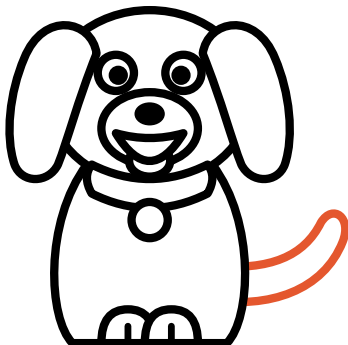

Draw a stout body and two front paws together.

6

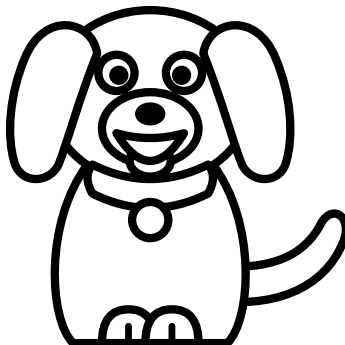

Add a collar with a round tag.

7

Finish with a wagging tail curling up.
