

How to Draw a Duck

7 steps

Ages 6-8

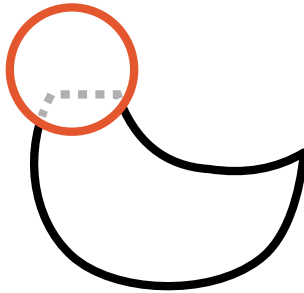

Follow the numbers · new lines are orange · rub out the dashed gray lines

1

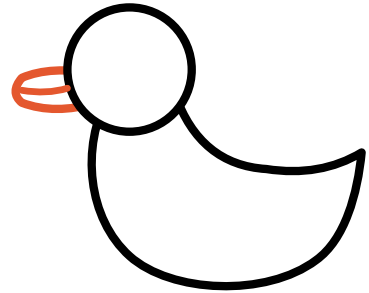

Draw a plump body with a curved neck.

2

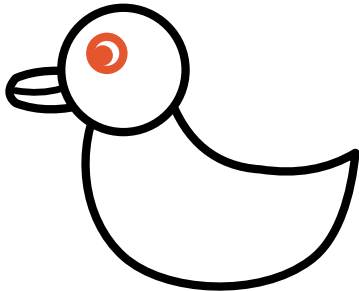

Put a big round head on top of the neck.

3

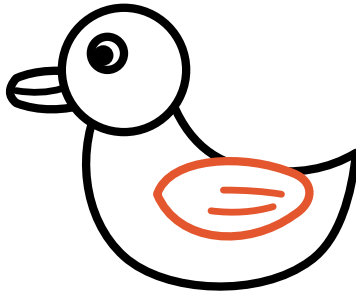

Add a long flat bill pointing left.

4

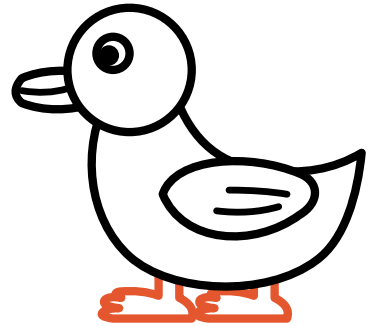

Draw a round eye with a dark pupil.

5

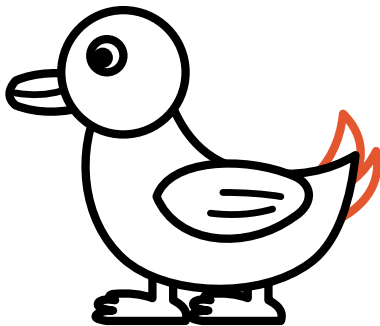

Add a wing on the side.

6

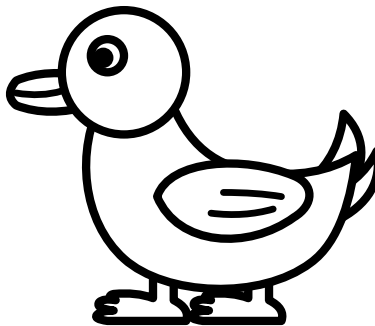

Add two short legs with webbed feet.

7

Finish with two curved tail feathers.
