

How to Draw a Flower

6 steps

Ages 3-5

Follow the numbers · new lines are orange · rub out the dashed gray lines

1

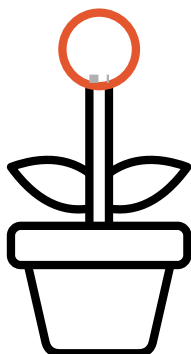

Draw a big flower pot with a wide rim.

2

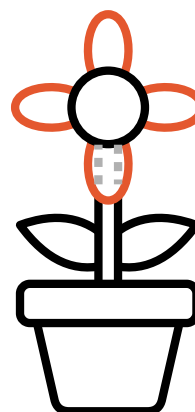

Add a tall stem and two leaves.

3

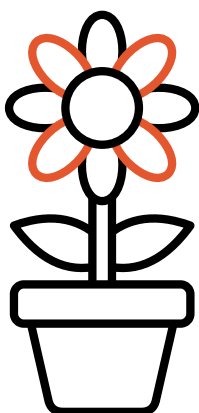

Draw a round circle on top of the stem.

4

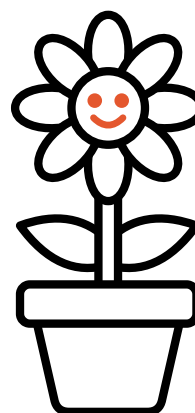

Add four petals around the circle.

5

Fill the gaps with four more petals.

6

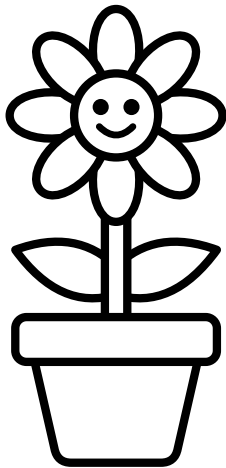

Give the flower two eyes and a smile.

How to Draw a Flower

Practice

Ages 3-5

Practice page · look at the finished drawing, then draw your own

1. Draw a big flower pot with a wide rim.
2. Add a tall stem and two leaves.
3. Draw a round circle on top of the stem.
4. Add four petals around the circle.
5. Fill the gaps with four more petals.
6. Give the flower two eyes and a smile.
