

How to Draw an Owl

7 steps

Ages 6–8

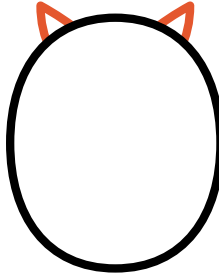

Follow the numbers · new lines are orange · rub out the dashed gray lines

1

Draw a big egg shape for the owl's body.

2

Add two pointy ear tufts on top.

3

Draw a face mask with two big round eyes.

4

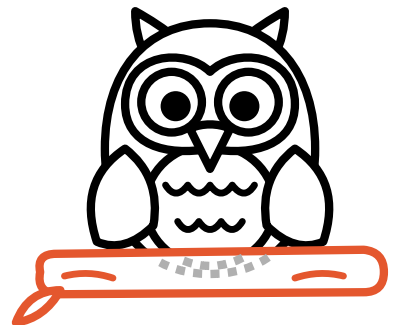

Add a little beak and a round chest with feather bumps.

5

Draw two small wings on the sides.

6

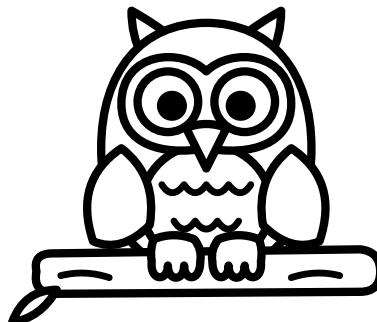

Draw a branch under the owl with a leaf.

7

Finish with two feet holding on to the branch.
