

# How to Draw a Shark

7 steps

Ages 6-8

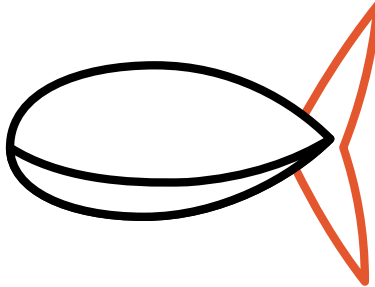

Follow the numbers · new lines are orange · rub out the dashed gray lines

1

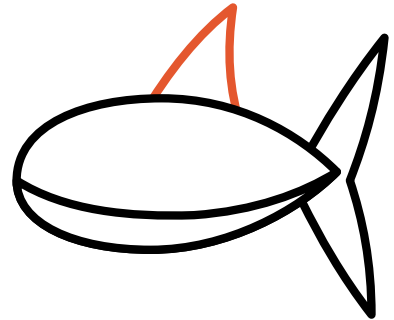

Draw a long, rounded body.

2

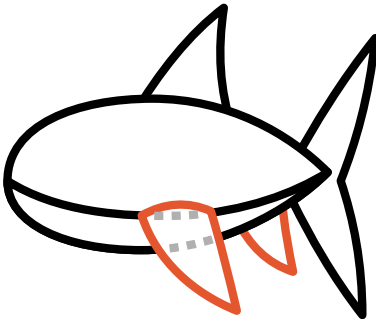

Add a crescent tail like a big moon shape.

3

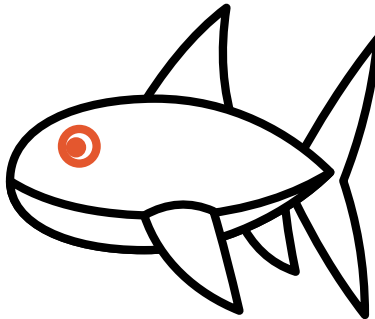

Draw a big triangle fin on the back.

4

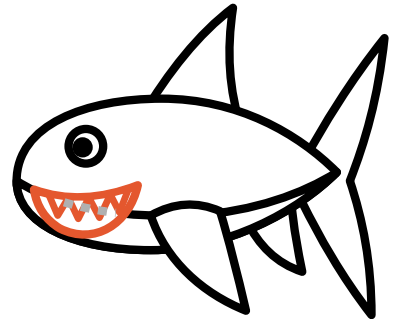

Add a side fin and a small belly fin.

5

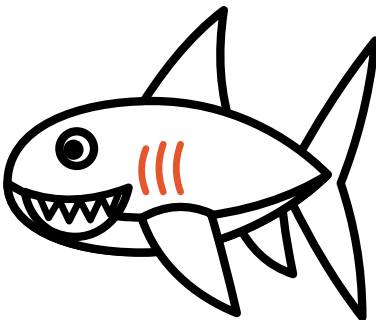

Draw one big round eye with a dark pupil.

6

Add a smiling mouth with pointy teeth.

7

Finish with three curved gill lines.
