

How to Draw a Stegosaurus

6 steps

Ages 6-8

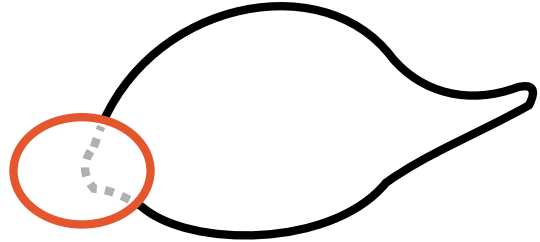

Follow the numbers · new lines are orange · rub out the dashed gray lines

1

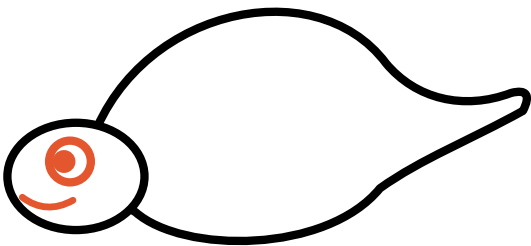

Draw a humpy body and a long tail.

2

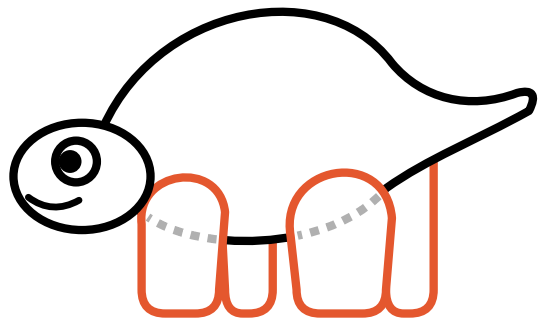

Add a small oval head at the front.

3

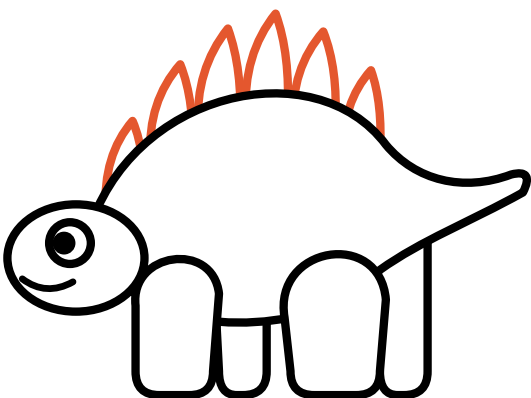

Give it a round eye and a happy smile.

4

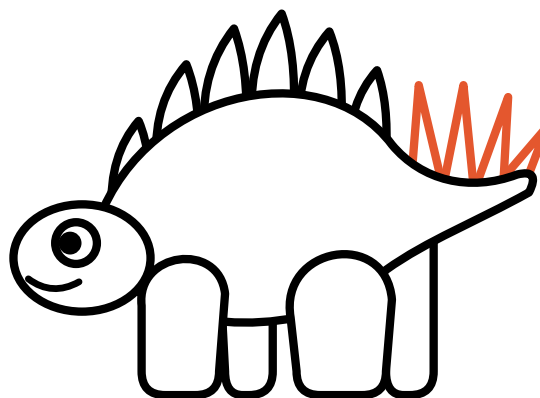

Draw four chunky legs under the body.

5

Add pointy plates along the back.

6

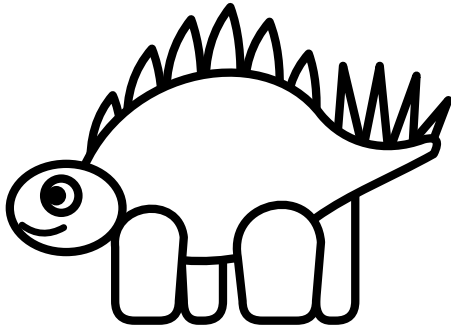

Finish with four sharp spikes on the tail.
