

How to Draw a Tree

Follow the numbers · new lines in each step are orange

6 steps

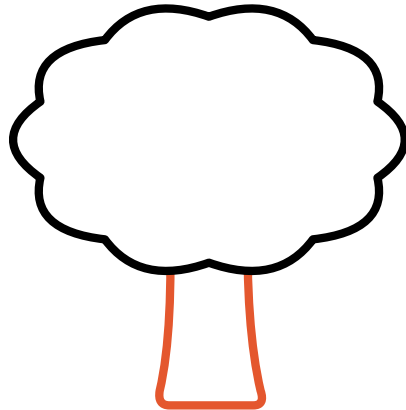

Ages 3-5

1

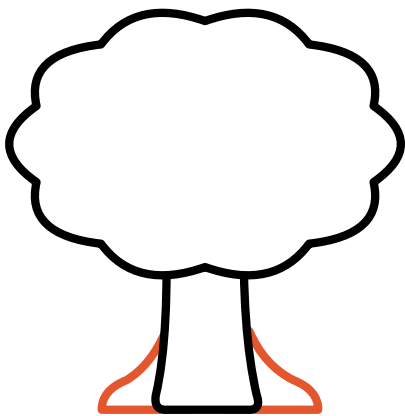

Draw a big bumpy cloud for the treetop.

2

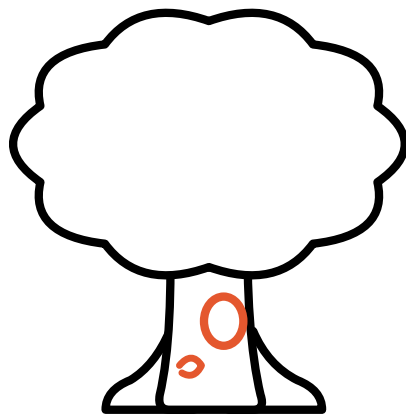

Add a thick trunk under the treetop.

3

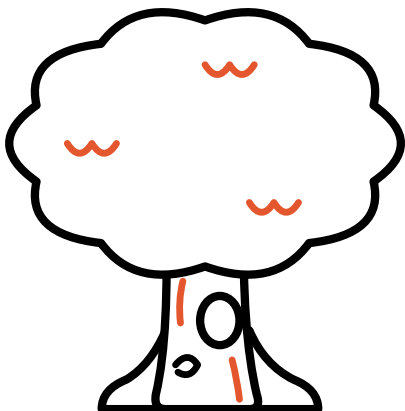

Give the trunk two round root bumps.

4

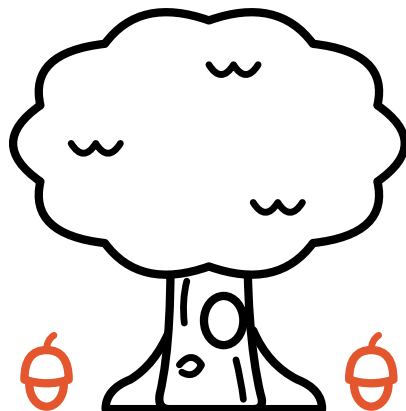

Draw a round hole and a little knot.

5

Add bark lines and leafy curls.

6

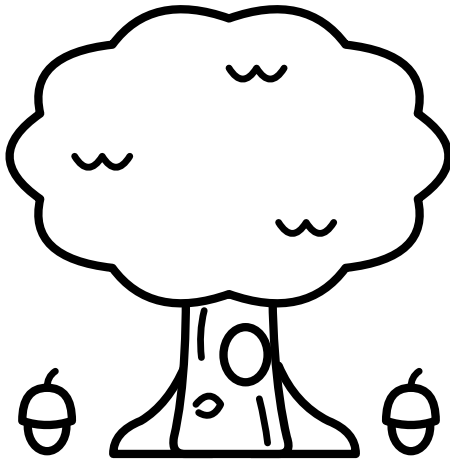

Finish with two acorns on the ground.
