

How to Draw a Turtle

7 steps

Ages 6-8

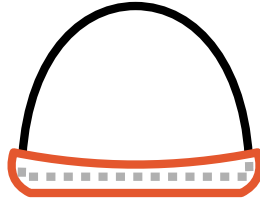

Follow the numbers · new lines are orange · rub out the dashed gray lines

1

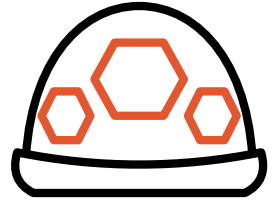

Draw a big round dome for the shell.

2

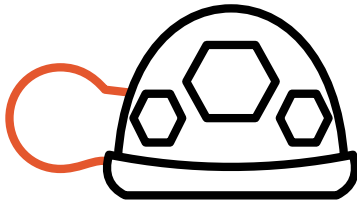

Add a long band along the bottom of the shell.

3

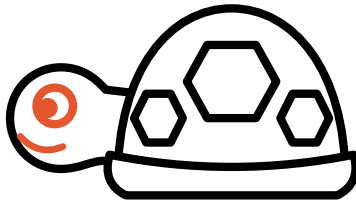

Draw three six-sided plates on the shell.

4

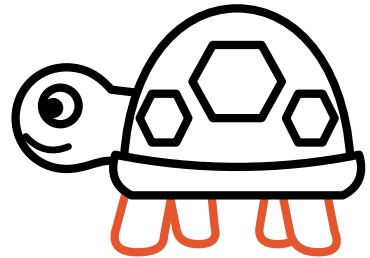

Draw a round head on a neck poking out the front.

5

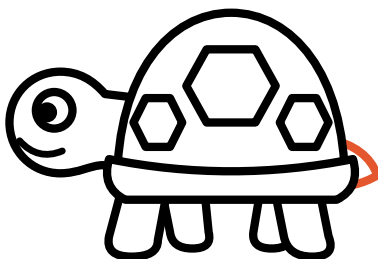

Add a big eye and a happy smile.

6

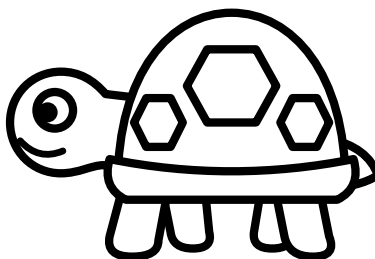

Draw four short, chunky legs.

7

Finish with a tiny pointy tail.
